

Arthur Reiten

IPM Sales and Service Specialist

History with Wil-Kil:

Arthur joined Wil-Kil in 2016.

Approach to Pest Control: I take a systematic approach to pest control. I start by inspecting a structure to find problems, then I make a custom recommendation based on my client's needs, treat the problem and then follow-up with further corrective actions my clients can take to control pests. I enjoy problem solving and performing great service that leaves my customers happy.

Pest Control Certifications:

7.1 Structural Pest Control
