Bob Nickodem IPM Sales and Service Specialist

History with Wil-Kil:

Bob joined Wil-Kil Pest Control in 1997

Approach to Pest Control: I think the only way to approach any job is to be honest with the people you work with. It is important to me that my clients know I will always tell them the truth about their situation and the treatment options available. I like the people I work with, and I am happy at the end of the day if they are happy and informed.
