

Bob Richey

IPM Sales & Service Specialist

History with Wil-Kil:

Bob joined Wil-Kil in 2012

Approach to Pest Control: The most important thing I do in my job is pay attention to detail. That's true when it comes to customer service as well as the pest control services I perform. I really look up to our quality control department and take a similar quality-centered approach, always double-checking what I'm doing to make sure it makes sense and will give the desired outcome.

Pest Control Certifications:

- 3.0 Turf & Landscape
- 7.1 Structural Pest Control
- 7.2 Space & Commodity Fumigation
